

Permission to Apply Lotions, Ointments, and Powders

As parent or guardian of _____, I give BedRock Preschool permission to apply the following selected protective or medicinal materials. I will provide the necessary lotion, ointment and powders.

>>> Please initial the items you agree to:

___ Sunscreen as needed, applied liberally, for outdoor play, field trips, and sprinkler days.

___ Diapering powder, for comfort, and to prevent or treat diaper rash.

___ Diapering ointment, such as zinc oxide or A&D®, to prevent or treat diaper rash.

___ Antiseptic cream or ointment, such as Bacitracin®, for minor cuts and abrasions, to prevent infection, and to sooth or ease pain.

___ Topical analgesic, such as Skeeter Stick®, to ease pain or itching from an insect sting or bite.

___ Petroleum jelly or hand cream, to prevent and treat dry skin on hands or face.
